The game gives you the opportunity to meet, go to war and defeat dangerous but funny layers of evil zombies. You get to lead an incredibly strong army of plants against zombies and your main goal is to protect your brain from eaten zombies. You can even feed plants and grow more plants to strengthen your army. Plants vs. zombie 2 Mod Apk provides a superb advantage of getting endless gems and coins that can be used by the gamer to make light-hearted purchases and your game from the start without worrying about prices. Download Plants vs. zombies 2 MOD APK Money version and get ready! The zombie is about to enter your garden... The Show/Hide Content Table vs. zombies is a very well-known defense tower series in 2009-2010 with versions for Windows and Mac OS X computer at the time. Following the success, the next version of Plants vs. zombies, Plants vs. zombies 2, was released three years later, with versions for Android and iOS.Game developed by Popcaps games and released by EA Mobile for free. If before the player had to spend money, now we can enjoy the unlimited experience of this game for free. Version 2 received positive reviews from reviewers and players. The storyline of the Scene of the game is based on the original version of the game. In it, zombies attack the city and come to your house with the desire to eat your own brain. As a homeowner, the player's task is to plant special crops to kill the zombies before they reach the door. Then you accidentally get lost in the past, and in ancient Egypt, you will find 10 keys through the space, bringing you the whole house in many different countries in the past and future like: pirate sea, mysterious city, etc. Each land usually consists of 25 to 38 levels with increasing complexity. You will have to fight zombie attacks from different regions, and of course ... along with the emergence of more powerful new zombies and new plants. You will need to pass each door to get to the next door and unlock new crops. The gameplay is more diverse with new plants and zombies in version 1, you only need to kill all the zombies you will be able to cross the scene. Then in version 2, you need to do more than that. In order to increase the appeal of the game, the developers have integrated the requirements to increase the appeal and challenge the game. For example, don't let zombies step on the flower line, or don't plant more than 15 trees... Also, each stage is usually on the map, letting you know where your position is and what your goal is. As mentioned above, the emergence of new plants and zombies. The zombies in this version of the game are much stronger than the first version. There are many dangerous, aggressive zombies ready to attack your home. There may be solar zombies with the ability to suck the sun, or zombies capable of building huge tombstones or zombies... As for the type of harvest, the publisher believes that each tree has its own application and that no tree will be superfluous. Depending on the game you need to choose a crop that suits you if you don't want the zombies to eat your brain. Useful skill systemThe gameplay plants vs. zombies 2 is much more appealing than the first version, when now the trees also have their own killer skills. During the game you get a magic clover. These leaves serve as a tonic, so when applied to a certain plant, it will give the plant amazing abilities. For example, when used for sunflower will produce more sun or use for peas will catch bullets faster and more ... In addition, you will also be given your own support skills in three types: throw, freeze and These skills can't be collected and you'll have spend coins for every use. But the power it brings is terrible. The best graphics, better soundThe graphics of plants vs. zombies 2 really shiny with bright colors and vibration, are more impressive than the first version, as well as many new effects appear. The movement in the game is really smooth and gentle, you will rarely and almost never lag behind when playing. Also, this time, Plans vs. zombie 2 also invest a lot in music when every land that you set foot in the appropriate sound will make players feel more excited when fighting. There are many bright sounds in the game such as zombies eating, shooting bullets, etc., making you feel like watching a real zombie movie. Mod APK version of plants vs. zombie 2B version of MOD, you will have an unlimited amount of money (coins/gems). With the amount of coins/gems you have, you can buy new plants, buy a lot of essentials and make your game progress easier. Download Plants vs. zombie 2 MOD APK for Android! recommend you try playing this game at least once because it's really cool. I sat all day just playing this game, so many interesting and challenging stages await us in this game. The game is not heavy and easy to manipulate, easy to play, easy to understand. If you are looking for a game to play, then Plants vs zombies 2 is really the choice for you. You.
